

What our Alumni say...

"Participation in the Fort Mill High School Band provided me and my peers with the discipline, musicianship, leadership and teamwork skills that played a major role in our development as responsible, contributing citizens."

Ron Lordo - Business Leader

"Some of my greatest memories of high school revolve around the positive experiences I had being part of the Fort Mill High School Band. We went on great trips, had fun being a part of Football Fridays, made long lasting friends and learned to believe in ourselves. What an experience!!!"

Pam S. Pittman - Assistant Principal NFHS

What our Administrators say...

"There is nothing stronger than relationships that are built on foundations of team goals, dedication, work ethic, desire and traditions of excellence. This is exactly what the Fort Mill and Nation Ford High School Bands offer to our students - the opportunity to be part of an organization that embraces diversity, sets high standards, provides the environment that fosters success and enriches the education career of its members through music, marching and positive mentoring."

Tommy Schmolze - Former Principal FMMS

What our Community Leaders say...

"Both of my children have had the opportunity to participate in the Fort Mill High School Band. They have learned many life lessons including time management, organization, performing in front of a large group of people, working as a team, being on time and seeing positive results by doing their best. I have watched them carry these traits into other aspects of their life and am very pleased with how they can adapt to any situation and be a leader - attributes I feel they developed by being in the band."

Diane Dasher - Fort Mill School Board
