Blue and Gold Band Club Meeting Minutes

Kriss Martensen called the meeting to order.

The November, 2004 Band Booster Club minutes were approved without changes or corrections.

The Treasurer's report was presented by Chris Tough. Band fees shown on the statements are what is due now, other fees come due later. A motion was made and seconded to accept the Treasurer's report.

Betsy Dugan gave the Vice-President's report.

Betsy noted that we have finished another successful Verizon season and look forward to a successful season next year. Betsy thanked Becky Bailey for all her hard work on staffing the Winthrop basketball games. Betsy thanked Becky for taking charge of this effort. Becky put out a plea for help with the remaining Winthrop games. Fort Mill will host a CIPA Winter Guard competition. This is a money-making activity and we will need everyone to pitch in and work this event, because the Guard parents cannot do it by themselves.

The Director's Report was presented by Mr. Dickey

Mr. Dickey discussed the importance of the opportunity the Wind Symphony has to perform in Charleston. They are the only high school group to be asked to perform for the Band Directors, and they will also have the opportunity to perform with a professional group. A recording of their performance will be made.

Mr. Dickey also discussed the foundation and importance of the Executive Band Board. He stated that this group is much needed, to help set Strategic Direction for the club and develop plans for business growth and development.

Kriss thanked everyone for their presence and support during this past band season. There being no other business, the meeting was adjourned.

Respectfully submitted,

Sylvia McCollum
Secretary
