

## **BLUE AND GOLD BAND CLUB MEETING MINUTES**

May 22, 2006

The meeting was called to order by Martin Dickey at 7:35 pm. The minutes for the April meeting were approved as written with no changes.

### Treasurer's Report- Karen Johnson

- Treasurer's report filed with no comments or questions

### Director's Report- Martin Dickey

- Good turnout of rising freshmen and their parents at informational meetings held last week. Many of those not attending have already contacted Mr. Dickey for information.
- Addressed common questions about costs associated with participation in marching band and Hawaii trip.
- Golf Tournament is taking shape. Should do well this year.
- Reminder that the fundraising is for the band and the points that are earned are a side benefit for participating in the fundraisers. Fees only cover about half of what it actually costs to put a student on the field. The fundraising covers the rest and points are given to help defray fee costs for those who contribute their time. There will be more fundraisers available this year to help with Hawaii trip. Please do what you can to help with the fundraisers.
- The best way to contact Mr. Dickey is by e-mail. You will get an answer back quickly unless he is out of town. The voice mail will be checked during marching season by drum majors after taking attendance. Please call and leave a message if your student will not be at rehearsal. The drum majors account for everyone in the band at each rehearsal.
