Treasurer’s Report by Jamie: The Treasurer’s Report was accepted as presented.

Presidents report by Chris: Thank you for coming to this meeting. Future meetings will be informative with notifications of band activities.

Vice President Report by Julia & Julianne: We’ve had six Verizon concerts with 38 volunteers. That’s a great turnout. Money has been earned by 60% FM and 40% NF which is equal to the band split. We do have a new stand at Verizon. We are unable to do Knights games because of prior Verizon commitments. We will more than make up the lost Knights income with the new Verizon stand. J & J have done a great job! Please sign up for July concerts via the Web site, the notebook, or a phone call to Julia or Julianne. Students have to be 16 or older to work at Verizon. We have a great bunch of kids working this summer. Car pooling is available. Contact Julia or Julianne for information.

Director’s Report by Chris: Martin is out of town. Future dates: September 15th is the York County Preview at FMHS. September 23rd is the BOA Preview at FMHS. October 20th is Upper State and October 27th is State. Mr. Pruitt starts July 1 and he is looking forward to joining the team. Guard members NEED to be measured this week. Please contact Tina to be measured.

Committee Reports by Chris: The golf tournament is July 26th. Things are starting to roll in. We’re reaching out to previous participants. Getting a hole sponsor will earn points for the student. Write the student’s name on the form.

Old Business by Chris: The booster's legal entity name will be changing. Give name ideas to Chris or Tina. Bylaw updates have been done and are waiting for the new name.

New Business by Tina: There are chairperson openings. If you are interested in being a committee chair or interested in serving on a committee, please notify Chris or Tina. If you have a skill, then the band booster club needs you! If you can drive a tractor trailer or help build things, please contact Larry at 548-1667. At future booster meeting, both band directors will be here along with any band staff that can attend. For future meetings, both principals will be asked to attend as well as board members. If you have any invitee recommendations, please let Chris or Tina know. The Nation Ford High School band camp is still planning to be held on that campus. If it changes, the students will be notified via a section leader. The NFHS fields are looking good. Nation Ford band merchandise has not been ordered. The logo is being worked on. We do need a committee chair the for band stores. Visit the Web site for up-to-date information. Car pooling is available for Verizon. Contact Julia or Julianne for information. Donations of medicines, band-aids, ginger ale, and water are needed for band camp. See list on the Web site.

The meeting was adjourned at 8:02. Next meeting is July 30th at 7:30 in the Fort Mill band room.

Respectfully Submitted,

Colleen Hunt,
Secretary
