Treasurer's Report by Jamie: The Treasurer's Report was accepted as presented.

Presidents report by Chris: Thank you for being here. Booster meetings are the last Monday of the month. Check the Web site for up-to-date information.

Vice President Report by Julia & Julianne: Verizon is a great fund raiser. It helps ALL students. We raise \$35,000 to \$40,000 each year to help our band programs. It is our biggest fund raiser. We see it as taking money from our Charlotte neighbors. We only canvassed our community once last year with the fruit sale! The funds help our band THIS year. If funds are not raised then THIS years program will need to be scaled back. Car pooling is available to go to Verizon. We have picked up another stand. TIPS is adult beverage training

Director's Report by Martin: The uniform fee can be paid to the school or booster club and the booster club will pay the school.

Committee Reports by Chris: The golf tournament had 88 paid slots, we were down a little. We raised \$15,000 to \$20,000 last year; this year will be \$10,000 to \$15,000. Everyone walked away with something. CN2 did an interview. We have zero negative feedback. Thank you to all who helped.

By Julianna & Ray: NF & FM band camp needs volunteers for lunch and dinners. There is cookie and brownie dough available if you would like to bake for band camp meals. Contact Julianna.

By Cathy: Chaperone chair is needed for NF. Donations are needed for band camp – see the Web site for a list. Heath forms are needed for ALL students. We can get immunization record from last years so don't let that stop you. Ask you student to turn in the forms – often they are in their backpack. Chaperone duties: hang out away from the student. Handle scraped knees and those students that feel yuckie. We try to have an EMT or RN here – if you qualify please see Cathy! We bandage cut fingers and supply ice packs.
