Treasurer's Report

Jamie gave the Financial Report as @ September 30, 2007. Everything is on target, but figures do not include fruit sales, spring fundraiser, and Fort Mill cookie dough income. Some returns are still due from Verizon also. We have reached 79% of our fundraiser target. Some student fees are still outstanding for marching expenses.

Band Director's Report

Mr. D. reported that there will be a meeting on Tuesday regarding Percussion Ensemble and details for Winter Guard are yet to be finalized. Mr. D. praised the efforts of the students who went above and beyond with their achievements and made history. Mr. D. showed parents the video of our State performance and allowed everyone to listen to one judge's comments on our performance to demonstrate what they are looking for.

Mr. D. reported that Beverly Bowman and the district curriculum committee have been discussing the possibility of students receiving Honors Credit for band participation. Ms. Bowman is very supportive. Mr. D. also pointed out that Ms. Bowman and the Boyettes were present at the State competition. He also told parents how much the students appreciate parental support.

Mr. D. awarded personal gifts to many booster club members for their tireless efforts on behalf of the band. Ms. Akers was amazed!
