

NATION FORD HIGH SCHOOL BAND BOOSTER CLUB
MINUTES FOR MEETING HELD MONDAY, MARCH 31ST

The meeting took place in the NFHS auditorium before the pre-concert festival performance. Mr. Dickey thanked everyone for attending and remarked on the amazing turnout! Tina Walters introduced herself and thanked everyone for attending. She then introduced Jamie Medlin and turned the meeting over to Julieanne Best to inform the audience about our commitment to Verizon because they bring in 60% of our fundraising revenue. Julieanne explained that a list of concert dates was posted on the website, and that anyone 16 or over could volunteer, whether or not they are TIPS trained, because there is always plenty to do. She also stated that volunteers try to car pool to save on the cost of gas. Julieanne also stated that the first concert is a sell-out and will take place on Tuesday, April 29th. Please help if you can. Jamie talked about the success of the Oyster Roast and informed the meeting of the \$3,400 that was raised for each high school. He also stated that we will hold another oyster roast next fall due to popular demand! He then told everyone about the Springfest event in Fort Mill on Saturday, May 3rd. We will be selling chicken wings, fried okra, and fried pickles. Only local non-profits will be in attendance. We also need plenty of helpers for this event. Watch the website for a sign-up sheet. Jamie then explained that elections will be held at the next booster meeting at each high school, April 28th, for new Board members and at-large members. A total of eight people will be voted to the Booster Club of each school on this date. Please inform any current Board member from either school if you would like your name on the ballot. The term for new officers begins on June 1st. Jamie also told the meeting that NFHS has finally purchased its own trailer!
